"MY RENT OR YOUR ROOF!" SAYS
THE LANDLORD.
THE landlord by right and title is lord over the man or woman who lives under the roof he rents them.
It's money down, on rent day, with no discount for cash, or, in 'other words, "My rent or your roof."
That you endure such a condition, Mr. Renter, is largely a matter of choice, for there is a sure, safe and easy way to possess your own home.
My method of selling homes is based on the delivery to you of an honestly built home—a "Home Fit to Live In"—on terms that conform to your income.
Under my plan, you do not have to pay down any fixed sum in cash, and the monthly payments are placed on a sliding scale, so as to provide for sickness or other causes of financial disablement, beyond your control.
I build the house to spit you or sell you

I build the house to suit you or sell you one already built, that meets your approval.

Now, as I offer you the way to consummate your long-cherished hope and aim of owning your own home, is it longer necessary to ask yourself the question: "Whose roof is over my head?" and receive the inevitable reply which all renters get: "Not your roof covers your head, but your landlord's roof."

Call at my office today and get my method in detail and let me show you drawings for any kind of a home you could wish for, at different prices.

If you live out of town or out of the state—if you are a miner or a business man at Park City, Bingham, Mercur, etc., or a farmer, hoping some day to move into town, to live under your own roof, write to me today, telling what kind of a home you need and detailed plans and terms will be promptly mailed free. J. Donnan Reavis, 78 West Second South street. Office 'phone, 173. Residence 'phone 1508-K.

P. S.—If you have entered into a contract or contemplate doing so with any of the so-called "co-operative" home providing companies, see me before you go a step farther. I have retained an eminent authority for the purpose of passing on such contracts free for all who ask my advise. Don't hesitate. Read my display ad on another page of this paper. Also see ads in today's Tribune.

I do a legitimate, old line real estate—business with up-to-date methods. I sell real estate—I don't keep it. List your wacant ground and other property with me at once. J. Donnan Reavis, 78 W. 2d South. 'Phone 173.

THE same house for which you pay \$35 per month rent will cost you but \$16 per month on the installment purchase plan. Six years' rent pays for the cost of a house. If a permanent resident of the city, you can't afford to buy a house every six years for a landlord. Just buy it for yourself.

Every man earning \$100 a month salary tor yourself.
Every man earning \$100 a month salary can buy a \$3.500 home on our plan.
You pay for your morning newspaper on the monthly installment plan. Just apply the same principle to a home and you will not be longer classed by that condescript title "Only a renter."
